NEW VENEZUELA GOVERNMENT

DEMOCRATIC JAPAN OCCUPIED CENTER OF OCCUPATION STAGE

FINANCIAL AND POLITICAL CHANGES BEING WROUGHT IN NEW NIPPON

TOKYO, Oct. 22.—(AP)—The building of a democratic Japan, both financially and politically, occupied the center of the occupation stage today as government officials announced the powerful Zaibatsu would be broken up of their own accord and gave the Emperor's blessing to development of a stronger diet.

The announcement that Zaibastu, the family financial giants of Japan, would liquidate themselves brought a blast from one of Tokyo's leading newspapers. Ashai Shimbun charged that the breakup announced by Finance Minister Keize Shibusawa, was "merely reorganization in disguise," an attempt to step from under responsibility for supporting Japanese militarists in the past.

Prince Fumimaro Konoys, one of the Japanese senior statesmen, a many-times premier and career diplomat who is one of Emperor Hirohito's close advisers said the emperor is anxious that the revision of the constitution provide the nation with a diet strong enough to be a guiding influence in the nation's politics.

Revised Constitution.

Konoye,-at the command of the emperor who followed general MacArthur's wishes in the matter, is working a draft of a revised constitution.

Allied readquarters today stepped into another field where there has been much talk and little action and ordered the Japanese educational system revamped. Japanese teaching, henceforth, the supreme headquarters ruled, shall concentrate on peaceful pursuits, eliminating military drill, and other swashbuckling trappings of the militarist regime which it heroized in the past.

Konoye, who said yesterday MacArthur had suggested that he lead a liberal political movement, stated in an interview today that the necessity of senior statesmen around the throne gradually would disappear under the contemplated constitutional revisions.

May Eliminate Clique.

Konoye, who was premier when Japan opened its war on China in 1937, already had said that one question to be pondered in remaking the constitution was a provision for abdication of an emperor.

Several Japanese higherups have said that in their opinion Hirohito has no intention to abdicate, but that he was aware of world-wide discussion of the possibility that he might step down in favor of the crown prince.

They added that the mikado felt it to be his duty to see that terms of the Potsdam declaration of surrender, which he accepted, were carried out.

DECREASE IN NUMBER WORKERS ON STRIKE; COAL MINERS RETURN

By The Associated Press

The return of 216,000 miners to the soft coal pits today sent the National total of workers on strike or off the job because of labor troubles to its lowest level in more than a month—214,000.

But a new strike in the glass industrysa w developing in 10 cities and the figure started inching upward again. Preliminary reports showed more than 13,000 out in Pennsylvania, Ohio, West Virginia, Illinois, Missouri and Oklanoma.

On Sept. 19 the nationwide total was 205,645. High for the postwar reconversion period was 550,000 on Oct. 6.

The resumption of work by miners in six states approximately halved last week's total. They went back on orders of John L. Lewis, United Mine Workers president, who deferred to a later date negotiations of demands which brought about their walkout.

Another 16.700 workers were expected back this week with resumption of steel operations which were curtailed because of a coal shortage.

This was the general situation.

Returning to work: a total of 230,400 composed, excluding the coal miners, of 3,000 at General Motors' Packard Electrical plant at Warren, Ohio; 5,000 AFL ship repairmen in the Los Angeles area; 1,500 at the General Electric X-Ray Corporation in Chicago; another 1,400 at the Revere Copper and Brass Company, Chicago; and 2,000 Michigan Utility workers.

Off their jobs or due to leave: 15,000 glass workers in 10 cities; 5.000 steel workers idle as a result of a walkout of 144 transport workers at Republic Steel's Canton Alloy Division, Canton, O.; and 1,500 Western Electric Employes, Kearny, N. J.

Still idle: 61,000 Northwest Lumber and sawmill workers; 2,700 bus drivers, 7,000 moviemen, 9,300 cotton and textile employees and 3.500 AFL Gulf Coast Longshoremen with the balance of the National totals made up in strikes ranging from 25 persons upward.

Fourteen Persons Injured In Storm Near Pittsburg

PITTSBURGH, Texas, Oct. 22—(AP)—Pittsburg today studied relief measures for homeless and injured, victims of a tornado which tore a path in the vicinity of this Northeast Texas town.

At least 14 persons were injured and 25 homes were destroyed early last night when the twister struck following a heavy rain. In the city limits, power and communication lines were blown down and trees were uprooted. All persons listed as injured were farm families living near Pittsburg. Just outside the city limits an office buildng of a potato dehydration plant was blown down.

Robert Edson. Red Cross area disaster director, said two representatives had been sent to the area.

Critically injured was Sam Bynum, a farmer found in a ditch with a possible skull fracture. Injured in the collapse of homes were Mr. and Mrs. Homer Robertson, Mr. and Mrs. Clyde Fulmer and daughter; Fulmer's sister, Mrs. Polly Fulmer; Mr. and Mrs. Tom Lamarr and Mrs. Nancy York.

F. L. Martin saw the tornado coming. He wrapped his wife and daughter in blankets. The Martin house was destroyed but the family escaped injury. The Martin automobile was blown four miles.

AUTO MANAGEMENT AND UNION LEADERS CONTINUING TALKS

BOTH SIDES APPEAR TO BE AIMING WAGE ARGUMENTS TOWARD PUBLIC

DETROIT, Oct. 22.—(AP)—With only two days remaining before the start of strike votes in the "Big Three" auto plants, management and union officials appeared today to be aiming their wage arguments more at the public than at each other in over-the-table negotiations.

Negotiating sessions continued to be sporadic and brief but, through the press, General Motors Corp. contended price increases must go hand-in-hand with any wage increases and the United Automobile Workers (CIO) accused the corporation of repeating its "plea of poverty."

Walter P. Reuther, UAW-CIO vice president, said General Motors could meet the 30 per cent pay poost that is demanded by the union and still cut "at least $100 from the price of Chervolets and at the same time earn for its stockholders at least 100 million dollars more than the pre-war 1936-39 average of 180 million dollars."

Reuther said that when negotiations are resumed this week after adjournment since a short session Friday the union will ask for a three-way split of the Corporation's "assured postwar profits"—among workers, consumers and investors.

Union President R. J. Thomas meanwhile asked the OPA to make public its pricing formula, asserting that 1942 car prices were set "to allow high profits on a low volume" and would be "more than sufficient to allow for satisfactory wage rates, stabilized prices and comfortable dividends to the stockholders."

C. E. Wilson, president of the Corporation whose more than 300,000 employes will decide Wednesday whether to authorize a strike, proposed Saturday that a 45-hour work week be adopted throughout the country, with a five to eight per cent general wage rate increase.

The wage demand is the principal issue in dispute at all big three plants. Balloting under the Smith-Connally act is scheduled to be held Thursday among more than 80,000 Chrysler Corp. employes and Nov. 7 abong 109,000 Ford Motor company workers.

CHURCHILL URGES DEMOBILIZATION IN MORE RAPID MANNER

LONDON, Oct. 22—(AP)—Former Prime Minister Wilston Churchill, urging Britain's labor government to accelerate demobilization of the armed forces, declared today that "the task of holding Germany down will not be a hard one—it will be much more difficult to help her up."

Churchill, speaking in Commons as the leader of the conservative opposition, said the occupation of Germany and the low countries should require no more than 400,000 troops with the same number required for the Mediterranean zone.

He contended that the RAF should be reduced to a personnel of 400,000 and asserted that the navy should be brought back to its prewar strength of 133,000.

In his first major attack in Commons upon the policies of the new labor government. Churchill said he was disquieted by the slowness of the government's demobi-

TWO MEN DROWN IN ARM OF LAKE TEXOMA IN SUNDAY'S STORM

COLDER WEATHER FOLLOWS HIGH WINDS AND RAIN OVER PARTS TEXAS

By The Associated Press.

Two men were driwned in the Washita arm of Lake Texoma yesterday during the storm which swept the area, marooning 15 or an island in the man-made lake.

Volney miller, a Madill, Okla., barber, and his brother, Alvin Miller, of Conroe, Texas, were drowned. A ten-foot wave capsized their 14-foot boat. They clung to the boat for some time but high waves finally brushed them off.

Alvin Miller's body was recovered today, but a search is continuing for that of Volney Miller. Alvin had been released from the navy two weeks ago, and had been attending a family reunion at Madill.

Eight of 15 persons marooned on an island in Lake Texoma were rescued last night but the 73-foot Moulton, damaged while going to their aid, had been beached.

Largest Boat on Lake.

The Moulton is the largest boat on the lake. It is operated by the U. S. Army Engineers. It struck a log during the storm and water poured through a rent in the side. It had to be beached in Mineral Bay six miles north of Denison.

Meanwhile other boats today are attempting to remove the other seven marooned persons. The weather had cleared today with a low temperature of 45 degrees, although the lake is still rough.

Stormy winds which swept a cold norther into Texas yesterday began to subside today. But the mercury remained low.

Coldest spot in Texas was Dalhart with 28 degrees. Amarillo was second with 30 degrees early today. Other readings were Dallas and Corsicana 46, Waco 48, Austin 48, San Antonio 48, Corpus Christi 54, Brownsville 55, Shreveport 50.

Rainfall was general but fairly light in most areas. Wettest was Houston with .47 inch. Corsicana reported .30.

Winds of 40 to 50 miles an hour were common over the state yesterday. Fort Worth got a dust storm and Dallas got hail.

Tornado Hit Pittsburg.

A tornado struck Pittsburg, injuring 14 persons and knocking down 25 homes.

A windstorm which hit Southwestern Rusk County wrecked two community churches and demolished or damaged a dozen farm houses.

The family of W. F. Robinson were all seated in the dining room of their farm home when winds blew the rest of their house away, leaving the room where they were intact.

Pittsburg today considered re-

DE GAULLE GIVEN APPROVAL FRENCH GENERAL ELECTION

OVERWHELMING APPROVAL NEW CONSTITUTION INSTEAD OF REVAMPING OLD

By RELMAN MORIN

PARIS, Oct. 22.—(AP)—France's first general election in nine years placed an almost unqualified stamp of approval today on Gen. De Gaulle's plans to found a fourth republic on a new constitution drafted by the people's chosen representatives.

Figures announced by the ministry of the interior this morning, 12 hours after the closing of the polls, showed that De Gaulle has won an overwhelming victory in a two-pronged election which decided that:

(1)—A constituent assembly—designated at yesterday's election—will draft a new constitution rather than attempt to rebuild the government on the 1875 document which was the foundation of the Third Republic.

(2)—The executive power will be vested in a provisional government during the seven months the assembly sits rather than in the assembly itself.

Ofifcial results from 84 of France's 92 departments:

In favor of a new constitution, 13,887,082; opposed 554,750.

In favor of an interim government, 9,582,210; opposed, 4,841,249.

The question of writing a new constitution was supported by all political parties, but the communists—aided by the radical-socialists—had opposed De Gaulle on the interim government issue.

Unofficial computations based on virtually complete figures from metropolitan France showed this lineup in the assembly for the major parties:

Socialist coalition 143 seats, communist 143, MRP 140, moderate rightists 26 and socialist 11.

Less than 20 per cent of the remaining assembly seats were distributed among minor parties. The assembly will have 522 members from France and 64 more from the colonies.

NAVAL SECRETARY OPPOSED TO MERGER WAR AND NAVY UNITS

FORRESTAL CITES GERMANY'S FAILURE WIN WAR IN OPPOSING PROGRAM

WASHINGTON, Oct. 22.—(AP)—Germany's failure in the recent war was cited today by Secretary of the Navy James V. Forrestal as an argument against merging ten war and navy departments.

The civilian navy head told the senate military affairs committee that Germany had complete unification of its armed forces—air, land and sea—as he outlined his opposition to postowar unification proposals previously supported by the war and navy departments.

erals.

Senator Edwin C. Johnson (D-Colo), acting chairman of the military committee and a proponent of merger, quickly disputed Forrestal's argument.

"Germany's trouble was not with the plan but the man who headed it," the senator said.

But one committee member, Senator O'Mahoney (D-Wyo), gave the navy argument quick and warm support, asserting:

Passion for Concentration.

"The world now has a passion for concentration of power that is dangerous. We see three geat powers trying to rule the world instead of the democratic concept of consultations and self-government by smaller nations."

Forrestal said he feared that if a single cabinet member controlled all armed forces that such a man might "be air-minded, navy-minded or land-minded."

Johnson broke in to say with a smile that several top military men had suggested to him that an ideal choice for the proposed new single cabinet post "would be Secretary Forrestal."

The cabinet member blushed and said quickly:

"I assure you my ambitions have terminated."

Forrestal described the proposed army-navy merger as "revolutionary" and "unsound."

Blunty Opposes Plan.

Bluntly opposing the war department, the navy cabinet head offered the senate military affairs committee a substitute postwar plan for the armed forces.

The navy plan called for continuation of present war and navy departments and creation of a

COMMITTEE CLAIMS OPA IS RETARDING RECONVERSION WORK

WASHINGTON, Oct. 22.—(AP)—A congressional committee said today the office of price administration is "retarding reconversion" through "rigid" price formulas.

Reporting to the house on an investigation of the OUA's reconversion policies, the committee headed by Rep. Howard Smith (D-Va), recommanded:

"1. That OPA formulate and immediately place into effect a policy permitting commodities to be priced at levels which in the accepted standards of accounting will reflect current cost of production plus a normal prewar margin of profit.

"2. That this policy be formulated and administered in such a manner that the prices so computed may be suitably reported to regional or district offices of the OPA on simplified forms affording no opportunity or divergent interpretations;

"3. That such prices be effective unless deficiencies are discovered by OPA within a specific time. When such deficiencies are reported by OPA, producers are to be given an opportunity to meet OPA requirements and obections. In the absence of any notive by OPA within the specified time, the

CALIFORNIA HAS OPPORTUNITY TO ANSWER OIL SUIT

WASHINGTON, Oct. 22—(AP)—The Supreme Court gave California an opportunity today to answer a justice department a suit which seeks to establish Federal rights to oil and minerals in offshore lands.

The court asked the state to show by Dec. 28 why the Tribunal should not permit the department to file a complaint against California.

The Federal complaint contends the state has no proprietary interest in coastal lands beginning at the low water mark and extending seaward three miles. It asserts California, likewise, has no authority to grant rights to remove oil and other products from such submerged lands.

YOUTHFUL FORMER NEWSPAPER COLUMNIST AND COMMUNIST IS REPORTED NEW HEAD VENEZUELA

By DeWITT MACKENZIE
Associated Press Foreign Analyst.

Venezuela's revolutionary junta, claiming control of the country after a short but bitter upheaval, today inaugurated a new government which is pledged to democracy under leadership of Romulo Betancourt, one-time Communist who resigned from the party and renounced the creed.

The youthful Betancourt (he is 37 and is a former newspaper columnist) has promised a new constitution which will provide a universal secret ballot, and a meeting of the national assembly in April to fix a date for an election. He says that Venezuela will stand by hemispheric urity, and will respect the rights of foreigners and their investments. He has announced abolishment of the aged press censorship, which this writer has encountered to his sorrow.

Well, Senor Betancourt has placed the pudding before us. However, the proof will be in the eating, and while we don't question its goodness, we will sample it before passing judgement.

When we speak of Venezuela we think of petroleum, for that great country possesses so much oil that it ranks third in world production.

Now production of this liquid gold is in the hands of foreign interests who have been granted concessions. United States companies hold by far the greatest concessions, with the Dutch second and British third. So any revolutionary change of government in Caracas is of vast moment to big oil business in these foreign countries.

For this reason the American and other foreign oil interests will breathe easier because of Senor Betancourt's promise that the new government will respect the contracts made by the previous regime. Untold millions of dollars have been sunk by the co-

Membership and Financial Gains For Odd Fellows

Large gains in membership and in financial condition of the Order will be reported to the Grand Lodge of Texas, IOOF, at the sessions in Waco, Nov. 4-6, B. A. Carter of San Angelo, grand master, stated Monday while here attending the Grand Encampment sessions.

"The 105th annual session of the Grand Lodge at Waco will have reports showing the greatest gains in membership and in lodges instituted during the past decade," the grand master stated while discussing the affairs of the Order.

"The grand lodge is in the best condition in its history and everything portends a bright future in every way," Carter continued.

While speaking of the approaching grand lodge session in Waco, Grand Master Carter revealed that he had received an official confirmation from D. D. Monroe, Clayton, N. M., Grand Sire, Sovereign Grand Lodge, IOOF, that he would attend the Waco convention.

The Grand Sire is being represented at the convention here by Deputy Grand Sire C. A. Wheeler of Austin.

Carter expects a record attendance at the grand lodge convention next month at Waco, and Wacoans here for the meetings in progress this week state that plans are being made for large contingents of visitors.

The annual Grand Lodge meeting is scheduled in March each year, but was postponed this year due to war-time restrictions on conventions, travel, etc.

Citizenship Has Opportunity To "Finish The Job"

The Victory Loan, October 29 to December 8, is a summon. to Corsicana and Navarro County to "finish the job," declared Joe E. Butler, Navarro County war finance chairman, Monday.

Navarro's quota on Series E Bonds is $475,000, and the overall quota is $1,905.000, Butler said.

"Remember, the Victory Loan is not one in a series of drives," the chairman reminded. "It is the final drive, scheduled for a period which differs critically from that of any previous drive. How we meet the challenges of this early reconversion period will influence the peace for a long time to come"

Although the Victory Loan officially closes on December 8, tabulation on Series E, F and G savings bonds and Series C saving notes will run through December 31.

Breakup of Big Family Monopoly System in Japan

TOKYO, Oct. 22.—(AP)—Breakup of the giant financial group which heads the Zaibatsu (family monopoly system) of Japan's economy was announced today by Finance Minister Keijo Shibusawa.

Shibusawa issued this statement jointly with Commerce and Industry Minister Sankuro Hogaswara:

"With regards to the fundamental policy of the Allied powers concerning liquidation of the Zaibatsu, the Imperial government has had no intention of raising objection to their policy, nor will they (the government) entertain such an idea in the future.

"In case of their spontaneous liquidation, we desire to take appropriate measures consonant with the policy expounded by the Allied powers."

Asked specifically whether this was definite announcement of a breakup of the huge financial group—topped by the Houses of Mitsui, Mitsubishi and Sumotomo—the finance minister said: "It is."

SUGGESTION MADE LABOR, MANAGEMENT WORK OUT PROBLEMS

CONGRESS URGED SIDETRACK ALL LABOR LEGISLATION FOR SIX MONTHS

WASHINGTON, Oct. 22.—(AP)—A suggestion that congress sidetrack all labor legislation for six months and let labor and industry "shake down" into a postwar relationship came today from Senator Ellender (D-La.)

"They ought to be able to adjust their problems themselves," he told reporters.

But, elsewhere in Washington, there were moves to extend a hand in helping establishing labor-management relation for reconversion:

1. President Truman has promised a statement on the wage-price issue. It may come from the White House today. Mr. Truman was reported ready to advicate collective bargaining, rather than government controls for settling disputes. He may also elaborate on his policy of allowing wage increases within the existing framework.

2. Rep. Ramspeck (D-Ga) suggested a new plan to ease labor disputes. He proposed in an interview legislation to bar strikes during set periods for collective bargaining and, where bargaining failed, for the framing of recommended settlements by fact-finding boards.

The house has heard demands, too, that repeal be accompanied by enactment of a new anti-strike law with "bulldog teeth" as Rep. Arends (R-Ill) phrased it. The house military committee has completed hearings on a repealer of the Smith-Connally anti-strike act and likely will approve it soon.

In the senate, leaders have counselled against bringing up any labor relations measures until after President Truman's prospective labor management conference, scheduled for Nov. 5.

Presidential Statement.

It had been previously indicated that a presidential statement on post-war wage-price policies—subject to a cabinet session last Friday, and of subsequent conferences with other government officials—might be forthcoming today, but Ayers said he did not know exactly when the president would issue it.

Subsequently, the White House disclosed that the president was calling in cabinet members and others for a discussion at 2:30 p. m., CST.

It appeared to be a wage-price policy conference since it involved Price Administrator Chester Bowles, Judge John C. Collet, economic stabilizer under reconversion director John W. Snyder, and Edward C. Moran, Jr., second assistant secretary of labor.

Treasury Secretary Vinson, Navy Secretary Forrestal and Agriculture Secretary Anderson also was asked to participate.

Britain, America Protest Russian Trade Agreements

LONDON, Oct. 22.—(AP)—A foreign office spokesman said today that Britain and the United States had protested to Russia against the Soviet's proposed trade pacts with Romania and Bulgaria, as well as Hungary.

Britain's protest against Russia's proposed five-year pact with Hungary was announced yesterday by the spokesman. It was reported unofficially at that time the United States had lodged a similar pretest.

When the proposed Russian Hungary pact was announced some time ago, the British government expressed surprise that "one of the Allies could be prepared to conclude so large an agreement with an enemy country before the other Allies had made peace with it and with little or no consultation with them," the spokesman said.

CABINET PLEDGED TO DEMOCRATIC IDEALS FOLLOWS UPRISING

REVOLUTIONARY JUNTA STAMPS OUT RESISTANCE IN VENEZUELA

By PHILIP CLARKE

CARACAS, Oct. 22—(AP)—A cabinet pledged to democratic ideals took over the reins in oil-rich Venezuela today under sponsorship of a revolutionary Junta which stamped out all important resistance to its coup D'Etat in a tumultous week-end of armed conflict.

Bespectacled Romolu Betancourt, 37, a former newspaper columnist, assumed the dual role of president and minister of the interior with a pledge that his goverament had assumed power only to provide Venezuela with "free, direct universal suffrage by secret ballot."

Betancourt promised that Venezuela would take an energetic part in preserving hemispheric unity.

"We want to be good neighbors not only on Pan-American Day, with flowery words and phrases, but in deeds as well," he said.

The new president, a one-time Communist who later renounced the party, announced that his government would respect the rights of foreigners and their investments.

Installed Cabinet

He installed a cabinet dominated by the democratic action party, which is considered left of center.

The last major opposition to the new regime ended yesterday as the Andean States of Tachira, Merida and Trijillo swung over to the Rebels. Resistance also ceased in the mountainous state of Zulia, whose oil fields are the basis of Venezuela's economic life. Fighting ceased when the government announced it was not opposd to the Andinos, a western military clique which has dominated National politics for a century.

A small force loyal to deposed president Isaas Medina y Angarita still held out in the Southeastern section of Caracas but Junta leaders predicted its speedy liquidation.

Fair and Speedy Trials

The new government promised "fair and speedy trials" for Medina and Gen. Eleazar Lopez Contreras, whom revolutionary leaders accused of malfeasance of public funds. An investigation into the affairs of other former public offifcials was underway and Dr. Leonard Ruiz Pineda, secretary of the Junta, said other trials might result if evidence shows they enriched themselves at public expense.

Ruiz Pineda also announced that the new government had abolished press censorship for the first time in Venezuela's modern history started reorganization of the police force, and would begin preparation of a new election law.

He said the National Assembly would draft a new constitution to provide a universal secret ballot and would meet in April to set a date for a general election.

CORSICANA, TEX., OCT. 23, 1945

TWO WISE MEN

A great many Americans, reading General Marshall's report to the nation on the conduct and conclusion of the two great wars in which the Unted States has recently been engaged, must have felt in it the spirit and wisdom of George Washington, as revealed in the latter's Farewell Address. The General, as modest as he is capable, would make no claim to equality with the Father of His Country; but it is surely not too much to say of him that he stood foremost among the defenders and guiding spirits of this nation in the most critical time since our Civil War, and possibly the most critical period since the American Revolution.

For General Marshall is not only a great military leader, but a man of political wisdom and human understanding. One statement of his seems particularly worth preserving and keeping in memory through the coming years. It is this:

"We finish each bloody war with a feeling of acute revulsion against this savage form of human behavior, and yet on each occasion we confuse military preparedness with the causes of war and then drift almost deliberately into another catastrophe. We may elect again to depend on others and the whim and error of potential enemies, but if we do we shall be carrying the treasure and freedom of this great nation in a paper bag. We can be certain that the next war, if there is one, will be even more total than this one. The nature of war is such that once it now begins, it can end only as this one is ending, in the destruction of the vanquished."

GOLDEN RULE DIPLOMACY

Here is something worth pasting up on the wall, even if it may seem to disfigure the office or the living room. It is a frank statement made by the President of the United States in a county fair address at Caruthersville, Missouri, on Oct. 7, 1945. The time, place and message may all be historic, for they come at the end of one of the most delicate and crucial times in the history of modern civilization. And it is all very clear and simple. Says President Truman:

"We can't stand another global war. We can't ever have another war unless it is total war, and that means the end of our civilization as we know it. We are not going to do that. We are going to accept the Golden Rule. And we are going forward to meet our destiny, which I think Almighty God intended for us to do. And we are going to be the leaders."

It took courage and intelligence to make that statement, and it certainly will take courage and intelligence to live up to it. For it is not atomic bombs that will save us—not in the long run which might prove to be a short run. The only visible and possible salvation for a highly mechanized and explosive world from now on may be a dedication of the great nations to peace, righteousness and cooperation.

Wouldn't it be nicer if Uncle Sam, instead of looting our savings the way he does for taxes, would let us put 'em all into victory bonds?

The young son asks why it is that freight transported in railroad cars is referred to as shipments, while by ships it is cargoes?

WHEN FISHING IS GOOD.

The season wasn't very good,
Bass never bit the way they should
And what caused anglers often to fret—
Minnows and worms seemed hard to get.
But still I heard old-timers say:
"You should have been here yesterday!"

The more the year I think about,
It wasn't good for rainbow trout.
The fishing through the spring was bad,
And little luck with flies I had.
But still the natives let me know:
"You should have come a week ago."

From lake to lake I went in search
Of pike and pickeral and perch.
Though now and then I caught a few,
'Twas not the old-time sport I knew.
But this they wrote me to my sorrow:
"You should have waited till tomorrow!"

A NEW WORLD

These are stirring times. Events occurring now, both domestic and foreign, may be the most interesting and important that have ever developed in this world. There are inventions, and social and political movements, and revelations of many kinds, such as the world never saw before. And there is unprecedented activity in this country, especially, as it seems to take the ball of modern enterprise and run away with it.

There was a period, several hundred years ago, when there developed in Europe what was called the "new learning," although it was really old.? Fascinating things and processes were discovered by the nations of western Europe in books and relics inherited from the ancient Greeks and Romans, and from them, modern Europe was aroused, enlightened and invigorated. But the things arousing interest now are mostly new—facts and processes worked out in recent years, and perhaps more of them in America than in all the rest of the world together—as fresh, vigorous and progressive as if we had developed all at once a whole new race of Benjamin Franklins.

More power to them! But we should keep and use some of the old things, in spite of the charms of all the new gadgets. Otherwise a lot of us would be getting homesick and feeling entirely out of place in this incredible modern world.

LASTING WEALTH

There are many differences of opinion regarding the main values in human life, and how to detect them and make the best of them. We would naturally expect ministers and philosophers to give the most satisfactory answers to such questions. They may not agree, but their views are usually worth considering.

A minister speaking at a community chest drive gives the following reply to the first question: "Each person is worth the sum total of human happiness he leaves behind when he dies."

To many people this verdict may be, in the scriptural words, "a hard saying." But is certainly worth thinking about, whether in personal behavior or in connection with war chest fund drives.

FUTURE NAVIES

Chester W. Nimitz, admiral of the American fleet, says a navy of 500,000 men is big enough. Only a few years ago the suggestion of even so large a fleet as that would have astonished the nation. But times change rapidly and we soon adapt ourselves to them.

The principle involved is apparently that of a permanent naval establishment big enough to take care of itself alone if necassafry, at home or in any other place where Uncle Sam is obliged to go on his lawful occasions.

Obviously any loyal and effective ally possessing naval power—particularly an old sea dog like Britain—will be so much to the good. But in the precarious world we are getting into, it will be desirable to make sure of having naval friends always around in an emergency. For Britain no longer "rules the waves' and there will still be enemies eager, when opportunity comes, to "waive the rules."

CORSICANANS ATTEND MEETING CENTRAL TEXAS CAMP-HOSPITAL COUNCIL IN WACO ON TUESDAY

By MRS. LYNNE WORTHAM
Sun Society Editor

Mrs. R. B. Mitchell, local Red Cross executive, Mrs. A. E. Haslam, home service chairman, Mrs. F. R. Young, production chairman, Mesdames W. K Steele, W. E. Newman, W. M. Spear, C. O. Curington and Hallie Steely were in Waco on Thursday to attend the meeting of the Central Texas Camp and Hospital Council, which was held at Waco Army Airfield with the new president, Mrs. W. B. Oswald of Clifton, presiding.

The meeting was an important one and was open to all who were interested in the work of the Council. It was also important since details of the Christmas program were discussed.

Despite the end of the war, the task ahead for the Council remains great, it was brought out at the meeting, and services to hospitalized veterans will demand the full resources of the organization for some time.

An important announcement revealed that the Christmas gifts to be assembled by the various chapters are to be delivered to local Red Cross headquarters unwrapped. This fact will simplify the wrapping problem for the purchaser, and will be of value to the attendants at various hospitals as the gifts will have been wrapped by the various Red Cross chapters and the contents of each package will have been printed on an accompanying card.

New Officers of Council

In addition to Mrs. W. B. Oswald of Clifton, new chairman of the Central Texas Council, Mrs. Robert Bush of Ennis, who is well known in Corsicana, is serving as vice-chairman, Miss Eva Grizzard of Waxahachie has been chosen vice-chairman, Mrs. Jud Collier of Mumford is treasurer, Mrs. Thos. E. Pennington is secretary, Mrs. Walter Hansen of Clifton is directing publicity. Mrs. Art E. Collier of Temple is chairman of Allocation Committee, and Mrs. George H Abbott of Dallas is Council Field Representative.

Achievement Report

The achievement report of the Navarro Chapter includes the following items that have been supplied through the Camp and Hospital Committee during the past month: 125 dozen home-made cookies, delivered to McCloskey Hospital; 46 books, assembled by B. and P. W. Club, delivered to McCloskey Hospital; 25 birthday gift (October allocation), delivered to McCloskey Hospital.

10 athletic suits delivered to POW Camp Corsicana; 1 hair clipper, donated by Mrs. H. F. Chestnutt, delivered to McCloskey.

36 decks cards (used), to be allocated.

For Christmas program: 1 roll Scotch tape and dispenser, 50 pounds of hard candy, 3,000 Christmas stickers, 1100 mailing labels, 150 spools gift ribbon and 10 candle holders.

List of Books Donated

The following 46 books were presented to Navarro County Chapter, American Red Cross, Camp and Hospital Service by the local Business and Professional Women's Club for McCloskey General Hospital:

Navarro County Quota

Citizens of Corsicana and Navarro county are urged to read the following list of gifts that compose the local chapter's quota, and send their personal gift contributions to local executive headquarters on East Collin street at the earliest date possible.

The quota includes 660 gifts for men, 12 gifts for women, 1500 sheets gift wrapping, 3 cones white twine, 1 roll Scotch tape, 100 wreaths, 50 pounds hard candy, 1,000 old Christmas cards (used), 3,000 Christmas stickers, 1,100 mailing labels, 1,500 gift enclosure cards, 150 spools gift ribbon, 15 strnigs lights (trees) if available, 10 jounds soft candy, 10 candle holders, and an unlimited amount of all types of decorations.

Suggested List of Gifts

Gifts suggested include billfolds, pipes, writing portfolios, sox and handkerchiefs, shaving kits, stationary, manicure sets, picture frames, bedroom slippers, sewing kits, Eversharp pencils, leather cases for comb and file, cigarette cases, shaving equipment cream, and talcum.

It was suggested that such items as games, books, jig-saw puzzles and eatables shall not be included as gifts.

Gifts should approximate about $1.00 in value, and as far as possible, should be of about equal value.

It has also been suggested that one large gift is preferable to a collection of small items amounting to the same price.

December 14th has been announced as the deadline for delivery of all gifts and items pertaining to the Christmas program. Some items, such as gift wrappnig for patients' use, should be delivered before mid November.

Individuals and organizations who plan to participate in the Camp and Hospital Council's Christmas program for hospitalized servicemen, are urged to contact mrs. Allen Edens, Jr., local chairman, or Mrs. R. B. Mitchell at Red Cross executive headquarters, 110 East Collin Street.

The time is short, the need is great and response is urgent.

Christmas on High Seas

Providing Christmas gifts for servicemen on the high seas is another duty of the Red Cross Camp and Hospital Council, according to a recent statement by Mrs. Allen Edens Jr. A quota is 154 gifts has been announced for the Navarro County Chapter.

In order to have the program function smoothly, National Red Cross headquarters has suggested the following procedures:

The gifts should be uniform and of the same intrinsic value. The following gifts have been approved: Greeting cards, writing portfolios, pencils with clips, gum or life-savers or hard candies in airtight cellophane bags, decks of cards, oilskin pouch, washcloth, nail file and manicure scissors, photo holder, crossword puzzle books, joke or cartoon books, small flat clothes brush, wallet, toothbrush, pocket-size books, handkerchiefs, camphor ice, comb, razor blades, pipe and pipe tobacco, stationary, cigarettes, soap, small games, (dominoes, miniature chess or crackers)

Each gift package shall contain six (any six from the above list) items not counting the greeting card.

Each gift package shall be attractively wrapped and on the outside of each package must be placed a check list. The items contained in the package must be inspected and checked. The check list must be signed by the person inspecting the package.

All gifts must reach the Pacific coast on or before November 1st, therefore, the time is short for securing gifts locally. All who are interested in providing gifts for servicemen on the high seas at Christmastime, are urged to contact Mrs. Allen Edens Jr., or Mrs. R. B. Mitchell at once.

Sea Gulls and Pelicans.

Sea gulls and pelicans flying about the city lake Sunday afternoon attracted some attention here. The birds were easily visible in Corsicana, especially when they "banked" and their white wings reflected in the sun.

Capt. Robert N. Brownlee, who has been stationed at Camp Adair, Oregon, has been transferred to Camp Pickett, Va., and he and Mrs. Brownlee are now en route to Camp Pickett.

CARD OF THANKS.

We wish to take this means to thank all for their many kindnesses and for the beautiful flowers sent to the funeral of our wife and mother, Mrs. Esther L. McCrary.—The Family.

Cotton Warehouse Property Is Sold To Erwin-Beasley

Sale of the properties of the Corsicana Warehouse Company to the Erwin-Beasley Wholesale Grocery Company for $45,000 cash was announced following a meeting of the stockholders of the warehouse company at the Chamber of Commerce Saturday morning.

The announcement was made by J. N. Garitty, secretary-treasurer of the warehouse company following the meeting. The properties consist of warehouse facilities occupying one and one-half blocks in East Corsicana, abutting Highway 75, Seventh Street, on the east.

The stockholders present at the meeting voted unanimously for the sale, Garitty stated.

J. O. Burke, president, presided at the meeting. James Cerf is vice president.

cessioners in the development of the oil fields—some of them in the midst of dense jungles and others in the region of Lake Maracaibo, a huge body of water in the northwest corner of the country.

There is a comparatively new field in the tropical Orinoco Valley, where United States companies have leased over 3,000 square miles of territory.

A highway was driven from the coast for many miles into the interior over bottomless morasses. There the oil men—fighting disease-carrying insects, poisonous snakes, and other horrors—built an up to date settlement and sunk their wells.

Small wonder that the oil interests should worry over any political upheaval.

There are many points about the revolution still to be clarified. The main issue, one judges, lay in the charge by the revolutionists that the now deposed President Medina Y Angarita was scheming to establish a dictatorship.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mildred Carroll, S-Sgt. Megarity Wed Friday Eve

The marriage of Miss Mildred Carroll, daughter of Mr. and Mrs B. F. Carroll, to Stf. Sgt. Jack Megarity Jr., son of Mr. and Mrs Jack Megarity, was solemnized at the First Methodist Church on Friday evening at 6:30 o'clock with Rev. Erwin F. Bohmfalk officiating.

The double ring ceremony was read before an altar space adorned with matching marble urns filled with a profusion of white asters.

Mrs. Sam B. Werner, organist, provided the music which included "Liebestraum" during the ceremony and the traditional wedding marches.

The bride was attired in aqua crepe with black accessories, and wore an orchid for floral charm.

Mrs. H. J. Ferguson, who served as matron of honor, was her sister's only attendant. She wore black crepe with pink satin trim black accessories and a corsage of pink carnations. Andrew Megarity of Houston, nephew of the bridegroom, served as best man.

Reception

Immediately following the ceremony, an informal reception was held at the home of the bride's parents. The bride's table was laid in an imported lace cloth, and centered with pink and purple asters, flanked by gleaming ivory tapers in crystal candle holders. Mrs. Jack Smalling presided at the crystal punch service, and Mrs. Fred Willis Jr., had charge of the two-tiered, satin-iced wedding cake, which was topped with a miniature bride and bridegroom. Mrs. F. C. Marchbanks registered the guests.

Decorative highlights of the home included various arrangements of white dahlias.

After their return from a wedding trip to Mexico, Sgt. and Mrs Megarity will be at home at 902 Gore Boulevard, Lawton, Okla.

For traveling Mrs. Megarity wore a black and white check wool suit with felt hat, black accessories and an orchid corsage.

Sgt. Megarity returned in July from twenty-eight months' service with the 36th Division in the European Theater of Operations, and wears five battle stars. He will be stationed at Ft. Sill, Okla.

Sgt. and Mrs. Megarity are both graduates of Corsicana High School.

Lee Megarity, Houston, uncle of the bridegroom, was an out of town guest.

TWO CORSICANA BOYS ENLIST IN ARMY FOR OVERSEAS DUTY

Two 17-year-old Corsicana plumbers' helpers, with the consent of their parents, have enlisted in the Army for oversea duty, according to Capt. William H. Hogewood, officer in charge of the local recruiting station.

The boys, both of whom were employed by John Keller, are Howard D. Crabb, 813 South Tenth Street and James Fitzgerald, general delivery, Corsicana. They have expressed the desire to make the Army their career.

Enlisting for three years, they will first receive basic traning and will then go to the European Theater for duty in the Army Air Corps.

"They wanted to join the Army to see the countries they have been studying about, and to receive further education as well," Captain Hodgewood said.

Two other enlistments received recently at the recruiting office in the State National Banak building were William L. Matthews and Arlee Thompson, both Navarro county men.

Dr. J. W. Stofer, Baptist pastor of Tulsa, Oklahoma reported to one of their conventions several years ago on "Church Music." He stated, "In conenction with the choir 'rendering an anthem' look up in the dictionary the meaning of 'render.' Paul may have had a choir in mind when he wrote about trying three times to get rid of the thorn in the flesh—We are in danger of irreverence in the church house.

The Acapella choirs in our western cities sing high grace music. What must be the feeling of these same young people who come into our churches and hear cheap church music? Music should be not only rhyme and rhythym, but the outpouring of worship that the people may be reminded of the glory and power and honor and majesty of God."

The doctor speaks the truth. It is not right, nor scriptural, to have a few choice singers stage a show for the audience. God wants every worshipper to have a part in the worship, or at least have the opportunity. Both the choir and its music are for the purpose of entertainment, and entertainment is not worship, nor is it pleasing to God. An attempt at the Theatrical ruins church worship.

Surviving are his wife, several children and grandchildren and other relatives.

U. S. Highway 75 To Be Improved

Construction of United States Highway 75 from Dallas to Houston, via Corsicana, first important link in the Federal Government's interregional highway network for the area, is scheduled early in 1946, according to a story in the Dallas News Monday.

District Highway Engineer M. C. Welborn has announced that plans for letting contracts of the State Highway Department have not been approved finally by the Federal Bureau of public Roads, but that the commission hopes to get to U. S. 75 first.

The Houston highway, one of the most important stretches in Texas, is dotted with old bridges which may safely carry only 10,000-pound load limit, while the Texas law now allows 17,000-pound limits. The highway is greatly in need of a new surface, according to the article.

Announce Civil Service Exams

The United States Civil Service Commission has announced new examinations for positions as dentist, student dietitian, and psychiatric and medical social worker. Because a sufficient number of eligibles cannot be obtained from among veterans entitled to reopen examinations, these examinations have been opened to the general public, and all persons who qualify may apply.

Announcement and application forms may be obtained from the commission's local secretary, W. C. Galloway at the Corsicana postoffice, or from the United States Civil Service Commission, Washington 25, D. C.

They Cooperate For Your Health

By W. P. BROWN
of Johnson's Pharmacy

Centuries old in service to mankind is the conscientious cooperation between your doctor and the druggist, a team dedicated to your health. Its foundation is mutual trust.

All the skill at his command—plus up-to-the-minute acquaintance with every advance in medical science—goes into the diagnosis and prescription a doctor writes.

In his turn, the druggist follows the doctor's orders to a pin-point of exactitude, knowing full well the value of his work.

Those afflicted with illness are the beneficiaries of this team work. They always appreciate it when the doctor recommends a druggist in whom he has confidence.

BIG INCREASE IN IOOF MEMBERSHIP OFFICER REPORTS

Substantial increases in membership of the Patriarchs Militant of Texas were revealed at the department council meeting Monday morning by Gen. C. M. McLaughlin, Tyler, department commander, at the IOOF Building.

There were 100 officers and members present.

Guests included General W. Clifton Cunningham, Alexandria Va., general commanding of the Patriarchs Militant of North America; Col. C. A. Wheeler, Austin deputy Grand Sire, Sovereign Grand Lodge of the World; all sovereign grand lodge representatives—Wheeler, M. M. Madison Sweetwater; T. F. Aston, Sherman, and A. H. Balch, Tyler; four past grand masters, six past grand patriarchs, and all elective oficers of the Grand Lodge and Grand Encampment.

Following the opening exercises General McLaughlin said that five years ago the Patriarchs Militant had only 563 members, while on October 1, this year, the membership of this branch has reached 1,498. The finances of the order has increased in like manner as the membership, it was stated.

General Cunningham presented the Commanding General's Award for 'Extraordinary Services To The Order" to the following:

General McLaughlin, Major W. W. Allbright, Capt. R. W. Davis, Capt. L. J. Hogg, Capt. W. O. Palmer, Lt.-Col. A. R. Pyler Brig.-Gen. A. A. Payne and Chev. G. E. Martin.

Col. Wheeler and others also addressed the Council.

The Council was visited by a committee of eight Ladies Auxiliary officials headed by Lady Pearl Rucker, Decatur, Ill., president of the Association of Ladies Auxiliaries of America, who also addressed the session.

The Council adjourned until 9 a. m. Tuesday and was followed immediately by the Grand Encampment conferring of degrees on a large class of candidates.

Kerens-Wortham Game Is Headline Grid Attraction

Headline attraction this week in the District 18-B, University of Texas Interscholastic league, will be the Kerens Bobcats-at-Wortham Friday night. Wortham has one loss at the hands of the Hubbard Jaguars while Kerens has a loss to State Home and a tie with Hubbard.

Wortham school authorities are expecting a large crowd on this occasion.

Other games scheduled in the district this week are Mildred vs. Coolidge, Frost Polar Bears at the State Home Field here, Trinidad vs. Blooming Grove and the annual and traditional tussle between the Dawson Bulldogs and Hubbard High team.

Last Week's results:
Kerens 13, Hubbard 13 (tie.)
Frost 33, Mildred 0.
Blooming Grove 23, Coolidge 13.
State Home 27, Dawson 7.
Wortham 32, Trinidad 6.

Mrs. McFadden Died Suddenly In Austin

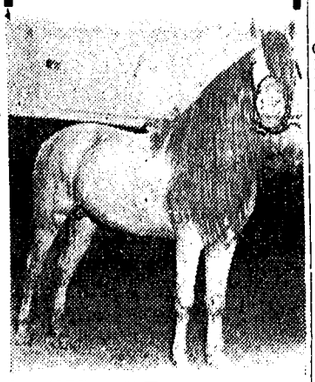

Mrs. Minnie Hyer McFadden of Austin died with a heart attack at her home Thursday and was buried Saturday afternoon, Judge C. A. Wheeler of Austin, deputy Grand Sire of the Sovereign Grand Lodge of the World, IOOF, revealed on his arrival here Sunday for the Grand Encampment sessions.

Mrs. McFadden was reared in the Frost community. Her husband, George B. McFadden, an Austin confectionery owner and operator, who was to accompany Judge Wheeler here for the convention, also was reared at Frost. Mr. McFadden did not attend the convention because of the death of his wife. He is a familiar figure at IOOF conventions.

the Ladies Auxiliary; Col. James J. Rucker, Decatur, Ill., chief of staff, department Council of Illinois, Patriarchs Militant; Lady Dora Madison, Sweetwater, president of the Ladies Auxiliary; Gen. C. M. McLaughlin, Tyler, department commander, Patriarchs Militant of Texas; C. A. Wheeler, Austin, deputy grand sire, Sovereign Grand Lodge; B. A. Carter, San Angelo, grand master, Grand Lodge of Texas, IOOF; Lady Jane Apple Dallas, president of the Rebekah Assembly of Texas; H. H. Lummus, Ennis, Grand Scribe, Grand Encampment, and Grand Treasurer, Grand Lodge, IOOF of Texas, and scores of other ranking officials including eight past grandmasters of Texas, five past Rebekah presidents and several past heads of the Encampment and Ladies Auxiliary.

General Cunningham predicted record enrollments in fraternal organizations during the next few years.

"Returning servicemen have learned to appreciate the fellowship derived in fraternization with their fellow man," Cunningham declared.

Memorial Exercises

The memorial exercise Sunday night were conducted by the Corsicana Ladies Auxiliary and Canton, directed by Miss Jennie Bain of Dallas, past president of the Rebekah Assembly of Texas. The impressive ceremony by candlelight honored the members of the Order who had passed on during the past year.

Paul Moore, local general arrangements committee chairman, was master of ceremonies at the Sunday night memorial and opening exercises.

The welcome address was delivered by Mayor John C. Calhoun of Texas, while the response was by Lady Dorothy Paslay, Dallas, vice president of the Ladies Auxiliary.

Lady President Madison presented the visiting Auxiliary and Rebekah officials, while the IOOF, Encampment and Patriarchs Militant visitors were presented by General McLaughlin.

Following the announcements of various changes and features, the program was dismissed with a prayer by Lt. Col. H. G. Lambrecht of Beaumont.

DEPUTY GRAND SIRE REPORTS OVERALL GAIN IN MEMBERSHIP

An overall gain in membership of 54,000 in all branches of the IOOF during 1944 was reported here Monday afternoon by C. A. Wheeler of Austin, deputy Grand Sire. Forty-three jurisdictions in North America showed gains with the largest increases found were of the Mississippi river.

"Texas led in the gains" the official said," and also in service rendered to the communities, particularly to the returning servicemen and servicewomen."

The subordinate branches showed 17,416 gain, encampment, 3,976 Rebekahs, $30,994, and patriarchs militant, 1,875.

Judge Wheeler referred to the $250,000 campaign under the supervision of the Sovereign Grand Lodge for the rehabilitation of the IOOF in Eprope, forced to disband and destroyed by the nazis. The campaign is doing fine and more that $25,000 has already been received. Jurisdictions formerly were found in Sweden, Denmark, Germany, Austria, Italy and The Nehtterlands. The Order is strong in Iceland and Cuba.

Luncheon In Honor Of I.O.O.F. Leaders

Visiting and local IOOF leaders were honor guests at a luncheon held at 12:30 o'clock Monday in the Blue Room at George's Grill. Navarro Encampment No. 44 was host.

A number of other attendants of the convention in session here attended the luncheon. No formal program was carried out.

Those seated at the honor guest table were C. M. McLaughlin, Tyler, department commander; Earl Orebaugh, Tyler, trustee; H. H. Lummus, grand scribe, grand encampment; Mrs. Pearl Rucker, Decatur, Ill., international president of the Auxiliary; Gen. W. C. Cunningham, commanding general, Patriarchs Militant: Lady Dora Madison, Sweetwater, state president of the Auxiliary; C. A. Wheeler, Austin, deputy grand sire; Capt. L. J. Foster, M. D. Herring Canton No. 8; T. F. Aston, Sherman, representative to Sovereign Grand Lodge; Jane Apple, Dallas, president of the Rebekah Assembly; B. A. lization policies—one of the issues upon which the conservative press has been concentrating in recent weeks.

Recovered from a throat ailment which had stilled his voice on the floor recently, Churchill urged that speed be put into carrying out the demobilization program which was forged under his own leadership. It was as Minister of National service in Churchill's coalition cabinet that Ernest Bevin, now foreign secretary, worked out the demobilization plan which, with slight modifications, still is n operaton. Demobilization has been classed as Britain's number one domestic problem.

WAR DECLARED ON PUBLIC ENEMY NO. 1, THE COMMON RAT

War was declared Monday on Corsicana's public enemy number 1, the common rat.

Rat control teams headed by R. E. Aday of Fort Worth, representative of the United States Department of Incerior, moved into the business district armed with quantities of the miracle poison "1080."

It was the first appearance of "1080" in Corsicana. Successfully used by the United States Army throughout the war, "1080" only recently was made available for civilian use.

"We hope to cover the business district 100 per cent in the next few days," said Miss Loreta Gaillard, city sanitation, whose office is cooperating to make the drive successful.

Private citizens who wish to participate in the campaign may buy rat poison at the Corsicana-Navarro Health Unit.

Special Red Squill baits will be prepared there and sold for 25 cents. Persons wishing to buy these baits must go to the health unit and pay for them in advance not later than Wednesday.

Other sections of Navarro County will subsequently receive the rat control program after it is completed in Corsicana, Aday said.

SHERIFF'S OFFICE INVESTIGATED TWO HIGHWAY MISHAPS

Members of the sheriff's force investigated two highway accidents occurring between eight and ten o'clock Sunday night, but no serious injury was received by persons involved in the mishaps, according to Cap Curington sheriff.

Mrs. L. R. Kemp, of Houston suffered a broken nose, the sheriff reported, in a freak acident involving five vehicles early in the evening about three miles north of Corsicana on U. S. Highway 75. A wrecker conveying another vehicle along the highway was either stopped or slowed down suddenly and four cars immediately behind jammed together, hanging bumpers, the officer reported. Only injury received was that of Mrs. Kemp, who, with three children and another passenger, was riding in a 36 Ford driven by her husband. She was taken to the P. and S. Hospital by a Corley's ambulance for treatment.

The second wreck occurred between nine and ten o'clock about fourteen miles south of the city on U. S. Highway 75 when a 37 Chrysler Imperial sedan occupied by a Dallas couple plunged over a ten foot embankment and overturned, according to account of officers investigating. The driver was said to have lost control of the car upon hitting a soft embankment after crossing a bridge levelling the guardposts to plunge over the side. Neither of the occupants was hurt, the sheriff said though the car was damaged considerably.

No More Fine Calves State Home Boys Have Died Since Last Week

No more of the fine show calves belonging to the State Home boys have died, but two are still sick it was announced Monday morning by Moyne Kelly, superintendent. Six of the calves died last week from an unkrown cause.

Specimens were sent to A. and M. College and the state veterinarian as well as local vererinarians have been working in an effort to determine the cause of the death of the cattle. They have expressed the opinion that it was lead poisoning received from some old paint buckets that had been thrown into the pasture.

One white face Hereford calf died and the others were Angus and Shorthorns, Kelly said.

Miss Irene Kormos, T-Sgt. Glenn Lange Wed September 30

Miss Irene Kormos, daughter of Mr. and Mrs. Joe Kormos of Corsicana and Technical Sergeant Glenn Lange were married Sunday September 30, in a ceremony performed by the Very Reverend Monsignor V. Graffeo, in Corsicana. Attendants were Mary Walker and Rudolph Kormos, brother of the bride.

Mrs. Lange is a graduate of Corsicana high school and attended Western Union School at Springfield, Mo., later going to Gladewater to accept a position in the Western Union office, where she has been employed for the past year and a half.

Sgt. Lange, the son of Mr. and Mrs. E. H. Lange, of Gladewater, recently returned from overseas, serving in Europe for eight months and one year in Newfoundland. In the service for more than three years, he formerly attended Kilgore College and at one time was employed in the Kilgore oil fields.

Following the ceremony the couple left for a short wedding trip to Dallas and Fort Worth. They will make their home in Gladewater.

lief measures for tornato victims. Two Red Cross represnetatives were on their way to the area. Early last night, following a two-inch rain, the tornado lashed out a path in the vicinity of the northeast Texas community. The injured listed were farm families, most of whom were hurt when their homes collapsed. The tornado carried one automobile four miles.

Strong winds were reported at Amarillo, Gainesville, Abilene, Midland, Wichita Falls, Fort Worth, Dallas, Waco and San Antonio. Tyler and vicinity got a heavy rain and there were scattered showers at Beaumont.

Rain and Wind Here

Strong gusts of wind preceded a shower which amounted to .30 of an inch here Sunday afternoon. The rainfall was about the same over the county according to reports received Monday morning. A little hail was reported in the Emhouse community.

No damage was reported.

The temperature dropped from a high of 84 during the day to 46 Monday night, the lowest of the season.

Information From Navarro County Rationing Board

Since present ceiling prices for corn fully reflect parity to the producer, corn ceiling prices will not be increased at this time, OPA has announced.

"There have been many rumors to the effect that there would be an increase in ceiling prices soon and the announcement is made to correct such reports," the statement read.

Two surveys are coming up in the month of November, food and restaurant. The food survey will be conducted between November 5 and 16, and the date for the restaurant surveys has net yet been revealed.

MERGER

CONTINUED FROM FIRST PAGE

National Security Council. This would be composed of the present secretaries of state, war, ard navy with the chairman of a proposed national securty resources board as fourth member.

The president of the United States would preside as commander in chief.

Backers of the merger count on President Truman's throwing his weight behind the idea.

Chairman Hill (D-Ala) recalled in a discussion with reporters that Mr. Truman publicly championed unification of the armed services when he was a senator.

"Mind you, I'm not attempting to say what his views are now but what they were when he was in the senate," Hill cautioned.

Hill recently visited the White House to talk over his measure with the president.

Secretary of War Patterson, Gen. George C. Marshall, army chief of staff, and Gen. H. H Arnild, head of the Air Forces, have endorsed it enthusiastically.

Called Erroneous Approach.

Forrestal told the committee those who favor a merger have overlooked the need for close relationship of diplomatic matters under the state department and plans for national defense. He called this an "erroneous approach to a fragment of the intricate and complex problems that confront us."

He said there was no need for undue haste on pastwar defense plans and repeated several times that he favors unified leadership in the field. He added that this could be obtained by continuing present organizations and implementing them.

The navy secretary said his plans also would involve:

1. Continuation of the wartime joint chiefs of staff composed of top leaders of army, air and sea forces.

2. Creation of a military munitious board to set policy on procurement and logistics.

New National Board.

3. Establishment of the new national security resources board to keep active all plans for industrial and civilization mobilization.

4. Creaton of a central intelligence agency.

Hitting directly at the merger proposal, Forrestal said it would:

1. Concentrate too much power in one secretary.

2. Handicap congress' attempt to learn necessary details for legislation and appropriations.

3. Not bring "efficiency or economy."

4. Eliminatte present "healthy competition."

Under such a plan, Forrestal said the navy would not have been able to wage its effective Pacific campaign while the army and other leaders were concentrating upon Europe.

TEXAS SCHOOLBOY FOOTBALL REACHES "CRUCIAL" STAGE

By HAROLD V. RATLIFF
Associated Press Sports Editor.

The Texas schoolboy football race has arrived at that point when "crucial" conference games appear on the schedule.

It is a big week in title play with the top game in the Houston district where unbeaten Milby and San Jacinto meet. Not only are these two undefeated in conference battle but they have unbeaten records in season campaigning.

Borger and Amarillo clash in the major game of District 1, bringing together teams undefeated in title play. It is the same in District 3 where San Angelo tackles Odessa and District 5 where Paris engages Sherman.

State Champion Port Arthur goes up against a tough eleven in Galveston as the defending titlists of District 14 open the conference race.

The outstanding game of the state is an interdistrict affair with Highland Park (Dallas) playing at Wichita Falls. This contest will match two of Texas' eleven undefeated, untied teams.

In the schedule of 50 contests this week, 32 are conference affairs involving 15 of the 16 districts.

Rolling into the stretch are these undefeated, untied elevens: Pampa, Plainview, Wichita Falls, Odessa, Paris, Highland Park, Brownwood, Cleburne, Lufkin, Milby and Brownsville. All except Lufkin have games this week.

Pampa plays Brownfield, Plainview clashes with Lubbock, Brownwood tackles Mineral Wells, Cleburne meets Ennis and Brownsville plays Robstown.

Four teams are undefeated but have been tied. They are Austin, San Antonio, Port Arthur and Galveston play each other, San Jacinto engages Milby and Austin takes on San Antonio 'Tech.

FAITHFUL EMPLOYE AT STATE NATIONAL BUILDING IS DEAD

The office tenants of the State Natioonal Bank building were saddened Monday by the death of their long-time faithful maid.

To them she was plain "Josephine." She came when the building was first constructed in January, 1926, and had missed very few days since. "We never had anyone around here more popular with the tenants," said N. Suttle Roberts, president of the boank.

To her legions of friends in the colored race, she was Josephine Joel, wife of Robert Joel. They lived at 313 East Fourteenth avenue.

Josephine died at 5 o'clock Monday morning. She had been ill for some time. Before her illness she was a big, jolly negro woman who swapped laughter and stories with the oil men, insurance men, doctors, girl stenographers and others in the bank building.

Funeral services scheduled at 3 o'clock Thursday afternoon, are being held up pending arrival of Joel's nephew from Oregon. Gray and Ross is in charge of arrangements.

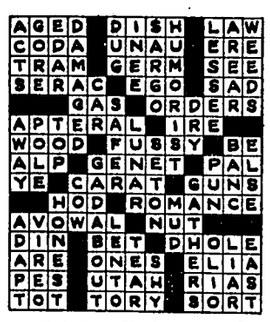

"The people upstairs think they can't get along withcut Josephine," Roberts commented.

"OAF" STUBBS AND TIPPIE — By Edwin

Sgt. Fred Ramos, Wortham, a veteran of twenty-five months' service in the Eunropean Theatre of Operations, returned to Corsicana Wednesday, and has received his discharge.

Serving with the Third Armored Division, Sgt. Ramos' unit was awarded the Presidential Citation for action in Germany. He is the wearer of five battle stars and was awarded the Bronze Star for meritorious action as squadron leader during a German counterattack inside Germany last April.

He is the son of Manuel Ramos, of Wortham.

Francis Marchbanks, husband of Helen Standard Marchbanks, 519 North Fourteenth Street, Corsicana has been honorably discharged from the Army Air Forces, it was learned today. Marchbanks' last duty station was at the Air Transport Command's Ferrying Division base near Reno, Nev., and he received his discharge at the Ellington field separation base, Houston, Texas.

As a member of the air forces, Marchbanks received the unit citation and the European theater operations ribbon with six stars. He was promoted to the rank of corporal, November, 1943.

Marchbanks enlisted here September, 1943.

MIDWAY ISLANDS—Still mindful of the air battles which stressed the importance of this atoll during the early days of the Pacific War, the Navy's men now stationed here have converted from their wartime preparations to fulfilling their peace time daily routine duties operating facilities which make the Midway Islands group an essential link in the outpost chain which will ward off the possibility of another Pearl Harbor.

Among those stationed here is Johnnie W. High, machinist's mate first class, of Houston, Texas, serving as a machinist in the machine shop.

High has had considerable service in the navy during the war and has been overseas for some time. Before reporting to this station, he had served the Navy in the following places: Argentia, New Foundland, Pearl Harbor, and Hila, Hawaii.

His wife, the former Ruby Leemaster, resides at Lawton, Oklahoma, and his mother, Mrs. Bulah High, makes her home at 320 West Fifth avenue, Corsicana.

Before entering the service, High was employed in civilian life by Emsco. Derrick, V. E. and P. T. Co., Houston.

Corsicana men recently separated from the U. S. Armed Forces include the following:

Sgt. Frank D. Allen, 1111 West Collin street, discharged from the Army at the Separation Base Miami District, Miami Beach, Florida.

Staff Sgt. Richard W. Adams, USAAF, Corsicana route one, discharged at the Ft. Sam Houston Separation Center.

Staff Sgt. Dick Everett, USAAF 1824 West Fifth avenue, discharged at the AAF Separation Base Randolph Field.

The Navy announces Thad Ozell Watts. S1c, 2300 West Thirteenth avenue, and C. C. Hampton, Y2c, 614 West Fifth avenue, recently discharged.

WITH U. S. FORCES IN GERMANY—Corporal Richard A. Jamison of Roane, Texas, recently was promoted from private first class to corporal at the 121st General Hospital in the Bremen Port area.

Cpl. Jamison is a cook and same overseas with the hospital in July, 1944. Since then he has served in England, France and Germany. He was formerly a tank driver with the 818th Tank Destroyer Unit He received basic training at Camp Bowie, Texas.

Before entering the Army in March, 1942, Cpl. Jamison worked on the farm of his father, Milliam P. Jamison. His wife, Mrs. Marie H. Jamison, lives in Roane.

Martin L. Draper, U. S. Navy, machinist's mate, 704 South Fourteenth street, served on the USS Richard P. Leary, when she was part of the forces which took over Ominato naval base and occupied Northern Japan. The Leary saw action at Peleliu, Leyte, the Battle of Surigno Straits, Iwo Jima and Okinawa.

Robert T. Baker, 27, U. S. Navy, machinist's mate 2c, Emhouse, served on the destroyer USS Bell when, as a part of a task force of more than 50 ships, she steamed into Jinsen, Korea, Sept. 5, to help occupy and liberate the country from the Japanese.

Cornelius Charlie Carroll, Ship's Serviceman, 2C, 1908 West First avenue, has been honorably discharged from the U. S. Navy, according to announcement by the Eighth Naval District.

FORT LEONARD WOOD, Missouri—Staff Sgt. Sam Hale of 1500 West Collin Street, Corsicana, was among the soldiers whose honorable discharges were announced here on October 19.

ABOARD USS CABOT, Pacific. —Pfc. William Harvey Balcom. Jr., USMC, of Corsicana, served on this aircraft carrier which took a leading part in the battles that led to the defeat of the Japs. The late Ernie Pyle was aboard during a Tokyo raid and the Iwo incasion and described the life of the crew in his columns.

WITH US FORCES, Riviere, Nice, France—Pfc. Anty L. Hayes, son of Mr. and Mrs. Anty Hayes, route 1, Richland, with the 222nd Infantry regiment, 42nd division, recently spent a seven-day furlough in the U. S. Riviera Recreation Area at Nice.

Private Hayes has been overseas nine months. He wears the ETO Ribbon with two battle stars, for combat in France, Austria and Germany, the Combat Infantry Badge and Good Conduct Medal.

ELLINGTON FIELD, Texas.—Staff Sgt. John T. Murphy of route 3, Corsicana, who was last stationed at the Deming, N. M., Army Air Field, has been honorably discharged from the Army Air Forces at this separation center.

Sergeant Murphy earned five battle stars while serving with a heavy bombardment group in the South Pacific Theatre of Operations.

WITH THE 37TH INFANTRY DIVISION ON LUZON—Veteran of 29 months overseas, Technical Sergeant Charlie Dorton, 25, son of Mr. and Mrs. J. L. Dorton Corsicana, Texas, will soon be on his way home with the returning 37th "Buckeye" Division.

Dorton, a member of the 37th Division's 129th Infantry Regiment, is entitled to wear the Silver Star Medal for "gallantry in action," the Purple Heart Medal with an Oak Leaf Cluster for wounds sustained in action, the Combat Infantryman Badge, Soldier's Good Conduct Medal. the Asiatic Pacific Theatre ribbon with two stars, and the Philippine Liberation ribbon with a star.

Doughboys of his outfit saw action on Bougainville in the Solomons prior to their initial Lingayan Gulf Landing on "D" Day or Luzon. Then, the 129th knocked-out Jap resistance in the Fort Stotsenburg Area before capturing Manila's old Walled City, to culminate their 120-mile sweep through Central Luzon.

Moving to Northern Luzon, elements of the 129th were the first Yanks to enter Baguio, the shell-battered capital of the Philippines. Then, they moved into the Gagayan Valley to break the final Jap stronghold in the islands.

Sgt. Johnnie L. Aven, whose wife lives in Powell and whose parents, Mr. and Mrs. J. C. Aven live in Rice, has been honorably discharged from the service at Alexandria, La.

Sergeant Aven served 42 months in the Army Air Forces. He was in the European Theater 20 months, and wears the ETO Ribbon with one battle star and the Good Conduct Medal.

RANDOLPH FIELD, Oct. 22. —(Spl.)—Cpl. Loyd George Morehead of 2212 West Sixth avenue, Corsicana, has arrived at the Randolph Field separation center from Moore Field, Texas, to be discharged from the Army Air Forces.

Cpl. Morehead entered the service on Oct. 1, 1942, and after finishing basic training was sent to aircraft mechanics school. His last assignment was at Moore Field, where he was a mechanic ot AT-6's, advanced training planes.

In civilian life he was a loom-fixer employed by the Corsicana Cotton Mills.

16 Auxiliaries Were Represented At First Business Session

Sixteen Auxiliaries were represented at the first business session of the Ladies Auxiliary of Texas, IOOF, Monday morning. Lady Dora Madison, Sweetwater, president, presided.

Most of the morning session was devoted to Lady Pearl Rucker, international president.

Inspection and election of officers are scheduled during the afternoon.

WOMAN'S CHRISTIAN TEMPERANCE UNION OF SIXTH DISTRICT MET IN ALL-DAY SESSION ON TUESDAY

The Woman's Christian Temperance Union of Sixth District met in one-day session at Kinsloe House on Tuesday, with the president, Dr. Lucille Dickson, as the presiding officer.

The decorative background for the meeting featured arrangements of chrysanthemums, zinnias, marigolds and other Fall blossoms, many of them having been sent by Mesdames J. A. Townsend and W. E. Watwood.

The meeting was opened with the song, "The Fight Is On," after which prayer was offered by Mrs. J. M. McDaniel.

The president read the 146th Psalm, which is known by the White Ribboners as the Crusade Psalm, and made inspirational comment.

Pledges were made to the Bible, the Christian, the Temperance and American Flags.

Officers Introduced.

The following state and district officers were introduced by the president, who paid tribute to the work of each one and presented individual corsages: State president, Mrs. Claude De Van Watts of Austin; state vice president, Mrs. Olivia Davis of Dallas; state recording secretary, Mrs. Mary Powell of Waxahachie; state treasurer, Mrs. Chris Waltz of Harlingen; state LTL secretary, Mrs. J. W. Adams of Mexia; state associate speech contest director, Mrs. W. W. Stogner of Dallas; second vice president of Sixth District, Mrs. Herbert Spencer of Corsicana; corresponding secretary of Sixth District, Mrs. S. Adair Dickson of Corsicana; recording secretary of Sixth District, Mrs. C. A. Teeple of Corsicana; treasurer of Sixth District, Mrs. W. M. Evans.

Mrs. Stogner then introduced her group from Dallas—Mesdames Edna Chapman, Ed Vaughn, Stone and Baem, all members of the Anna Gordon Union.

Address of Welcome.

The address of welcome was given by Mrs. A. M. Estes of Corsicana, president of the Baptist Association of District 14, and the response was given by Mrs. Chris Waltz of Harlingen.

Mrs. Watts called special attention to Mrs. Waltz, who won national recognition upon having secured 300 members during the past year. After the song, "The More We Get Together," Carole Ann Cain, four-year old granddaughter of Mrs. J. W. Adams of Mexia, gave two readings, "To Market, to Market," and "My Body is a Temple."

Election Held.

Dr. Dickson asked the state president to conduct the election with Mesdames Gordon, Watwood and Squires as counting tellers and Mesdames Mitchell and Teeple as distributing tellers. The nomination and election were held by ballot, as is the WCTU custom, and resulted in the unanimous election of Dr. Lucille Dickson, president; Mrs. J. W. Adams, vice president: Mrs. S. Adair Dickson, corresponding secretary; Mrs. C. A. Teeple, recording secretary, and Mrs. Mary Powell, treasurer.

The president appointed Mrs. Herbert Spencer second vice president.

Mrs. J. A. Townsend was brought before the convention body and introduced by Mesdames Dickson and Adams as the oldest local member of the WCTU. Mrs. Townsend stated that she is 93 years of age and had spent her life in prohibition work. She told of a national convention in Washington, D. C., where she met the late Frances Williard and Lady Henry Somerset, and where she viewed the Polygot Petition which required seven years to secure from all nations and which was pasted on yards and yards of muslin, festooning the convention hall.

Luncheon.

The convention recessed for luncheon, which was served at one long table in the banquet hall. The center decor was an artistically decorated cake (commemorating the birthday of Mrs. S. Adair Dickson, to whom her daughter, Dr. Lucille Dickson, paid beautiful tribute.) The Anna Gordon Union of Dallas presented to Mrs. Dickson a set of Flestaware and she was the recipient of numerous other gifts, all of which were complete surprises. Other decorative features of the luncheon table were arrangments of yellow chrysanthemums, which flanked the cake, and contributed to the color setting.

With Dr. Beaulah Dickson at the piano, 'Beautiful Hour of Noon-tide" was sung and Mrs. Olivia Davis of Dallas offered the noon-tide prayer.

LTL Demonstration.

Dora Lee Harlan, president of Corsicana Loyal Temperance League, and her sister, Imogene Harlan, gave a demonstration of the work of their organization.

Entertainment features at this point in the convention program included a piano selection by Kenneth Dickson and a duet "It Pays to Serve Jesus," by Rev. J. I. Cartlidge and D. D. Murray of the First Baptist church.

At the afternoon session, Tommy Jean Mitchell, young daughter of Mrs. T. B. Mitchell, a former LTL and YTC member, was dedicated as a White Ribbon Recruit, and the white ribbon was tied on her wrist by the state president, Mrs. De Van Watts.

Highlights of Afternoon.

Highlights of the afternoon session were inspiring and instructive talks by the state president, state vice president, state treasurr and state LTL secretary, and a devotional message by Mrs. Herbert Spencer with prayer by Mrs. Doa Vaughn.

Mrs. Watts spoke of the high privilege of being a member of the WCTU, which she characterized as the greatest organization of women in the world. She quoted Frances Willard, who said "Every woman ought to give a portion of her time to the WCTU regardless of other duties." Mrs. Watts stated that the goal of the national WCTU is one million members by 1948, at which time the diamond anniversary of the organization will be observed. She urged Texas to contribute her quota to the national goal.

Mrs. Davis, state vice president, who discussed "Temperance and Missions," spoke of missionaries having agreed that when America had prohibition their work was much easier. She gave government statistics compiled before the last war showing that prohibition was too successful to suit many people, and showing that repeal had failed. She stated that 140 counties in Texas are totally dry. 58 are partially dry and that only 34 counties remain wet. She emphasized the fact that the WCTU must work county by county and state by state to gain national prohibition.

Awarded Plaque.

Mrs. Waltz, state treasurer, told of the inspiration that Dr. Lucille Dickson had been to the Harlingen union and stated that Harlingen had sent a silver plaque to be awerded the largest LTL in the state. Mrs. Watts then awarded the plaque to Dr. Dickson of this city.

Mrs. Adams told of her work in organizing Home LTL's, and it was brought out that she had gained national recognition upon her accomplishments.

As a climax of the convention, a friendship circle was formed as the assembly sang "Blest Be the Tie That Binds," and "God Be With You 'til We Meet again."

PLANS COMPLETED ANNUAL MEETING OF FOX, WOLF HUNTERS

Final plans for the annual meeting of the Navarro County Fox and Wolf Hunters Association at the Eddie Smith pasture, five miles south of Kerens, Friday afternoon and night, were made at a meeting of the directors here during the week end.

Fred Copeland, Pursley, county commissioner and association president, said that all arrangements had been completed for the biggest and best meet ever attempted by the local group.

Beauford H. Jester of Corsicana, member of the Texas Railroad Commission, will be the principal speaker. A barbecue and basket lunch will be served at sunset.

T. M. Cates of Irene will provide a fiddle band and entertainment.

All hunters and the public are invited. Ladies are invited to bring pies, cakes and salads, as the association will furnish the barbecue, bread, pickles, onions, coffee, plates and cups. Cold drinks and concessions will be available on the grounds.

The bench show will be held following the address of the evening with J. W. Elliott of Mexia, well known expert, as the judge.

President Copeland stated there are plenty of fox in that area and races will begin immediately following the bench show.

No drinking will be allowed, the directors announced.

NOLAN D. ANTHONY, PRISONER OF JAPS 3 YEARS, RETURNS

McKINNEY, Oct. 19—(Spl)—Pfc. Nolan D. Anthony is back home after spending over three and one-half years in Jap prison camps. A graduate of Corsicana High School, Anthony is the son of Mr. and Mrs. J. Anthony, residents of Ennis, Texas.

As a member of the famous Lost Battalion, the 131st Field Artillery, Anthony came under Japanese domination in March of 1942. Thus began forty-two long months of confinement in camps in Java Singapore, Burma, Thailand and French Indo-China. Subsistence on a starvation diet, survival in spite of such diseases as malaria, berri-berri and dysentery, and subjection to hard labor from before sunrise until after sunset describe the treatment received at the hands of his captors.

Following the Japanese capitulation, liberation came for Pfc. Anthony on August 29th of this year. He was evacuated from Calcutta, India to this country by plane.

Corsicana Mentioned In Boyce House Book

Corsicana is mentioned in Boyce House's newest book—"Texas—Proud and Loud," which has exhausted four editions (20,000) copies) in five weeks. The story deals with the subject of "The Meanest Man in Texas," and the book says:

Maybe he was the Corsicana citizen who announced. "I'm going home and if my wife don't have dinner ready, I'm going to raise thunder; and if she does have it ready, I'm not going to eat a bite".

Or it might have been the Sweetwater man with a hangover, who kicked the cat out of the parlor, and remarked: "Come in here and stomp around, will you?"

Still, it could have been the man in McAllen who gave his little boy a nickel for taking a dose of bad-tasting medicine just before going to bed—then slipped up, while his son was asleep, and took the money back—and next morning whipped him for losing it.

And, as if that weren't mean enough, the father took all those nickels and, when the medicine was all gone, used the money to

HILLSBORO NOSED OUT CORSICANA IN GAME FRIDAY 6-0

SENSATIONAL PASS IN THIRD PERIOD SETTLED HARD-FOUGHT FRACAS

By PAUL MOORE
Sun Sports Editor

Corsicana Tigers and Hillsboro Eagles fought a brilliant battle on historic Frazier Field in Hillsboro Friday night before a large crowd of excited and partisan enthusiasts. The Hill county capital youths tinally emerged the winning combination, 6-0, the result of a beautifully-executed pass play in the tihrd period, but the Corsicanans kept the Eagles bothered and drove within the shadow of the Hillsboro goal late in the fourth on a determined ground campaign where it was stopped by a penalty that apparently saved the Egles from either being tied or defeated.

The game was a thriller throughout, with the advantage first resting on the standards of one school and then the other. During the half intermission, the rival high school bands and the Hillsboro pep squad performed intricate and finely-appointed marches and formations over the turf, while throughout the game, the peppy rivals vied in providing encouragement to their favorites.

Dramatic Incident

One of the most dramatic incidents seen in schoolboy football circles in years occurred when Dan Roberts, fine Tiger end, who recently sustained a concussion, collapsed and was carried unconscious from the gridiron to the Tiger sidelines on the east side of the field. A physician was summoned and then an ambulance was called.

Officials dramatically stopped the play—a long, sleek invalid's coach with its warning red lights gleaming in addition to its strong headlights, came through the northeast entrance, circled through the be-decked Hillsboro North Goal, proceeded down the sidelines to where the injured lad lay.

Alma Mater Struck Up

As the popular Roberts was lifted on the cot and rolled into the ambulance, the Corsicana Tiger band struck up the C. H. S. Alma Mater, with every Corsicanan on his or her feet at attention, and also Hillsboro. The driver of the ambulance drove down to the Corsicana color-decorated south goal turned in a graceful and sweeping arc and sped down the sideline in front of the Hillsboro cheering section while the Hill countians let out a mighty cheer and ovation to the prowess and in sympathy to the unconscious Roberts. Speeding away from the field through the same entrance, the coach took Roberts to the Hillsboro Hospital and then on to the Navarro clinic here. (Roberts was reported conscious Saturday morning and his condition satisfactory).

As soon as Roberts was taken from the field, McLeod replaced him and after the ambulance left the field, the torrid tussle again was resumed.

No Outstandlig Stars

It would be a tough assignment to pick out any outstanding stars. There was little to choose between the backs and the linemen. They all fought savagly, cooly and for keeps. The same can be said for the Hillsboro clan.

They were not asking for any quarter and were not expecting any.

Hillsboro had a slight advantage during the first quarter and accounted for a couple of first downs to one by the Navarro countians. Wells, a substitute Hillsboro back was a danger with his sensational speed, and it was Hillsboro's ball on the Corsicana 20 as the first period ended.

Pass Intercepted

Blakeney and Corley broke through to spill the Hillsboro pigskin lugger early in the second and Ganze leaped into the air to intercept an Eagle pass on his goal line and sped back to the Corsicana 21 before he was pulled down hard. Clark and Flynn collaborated to make a first down and Hillsboro finally stopped the Tigers on their own 38.

Corsicana again advanced, but Hillsboro gained possession on her 40. After a punt, Clark made 17 and a first down to the Corsicana 45 and Flynn made five yards to midfield as the half ended.

Hillsboro made three first downs in the third when they scored but Corsicana made only one. In the final quarter, Corsicana was credited with four first downs to three for the Hill countians.

Hit Pay Dirt

Hillsboro struck fairly early in the third after getting the ball and running the short punt back to the Corsicana 40. A long pass was incomplee. Mahoney dropped back behind fine cover and shot a long pass into the arms of Hilton behind the Tiger goal line. It was a spectacular pass, reminding old-timers at Hillsboro of a Billy Patterson heave, and Corsicanans of Bob Finley, two of the greatest passers and punters in District 10-AA history. There were no punts in that category Friday night. A surging Tiger forward wall blocked the attempted placement kick after touchdown, ending the scoring for the evening.

Tiger Threat

Dixon, Tiger guard, broke through to spill a ball-carrier for a 6-yard loss early in the fourth. Burkhart intercepted a pass and returned to the Tiger 42-yard zone from which point a sustained drive was unreeled that frightened the Hillsboro team and its supporters as the game waned.

Burkhart slipped and drove 6 yards immediately in front of the press coop. As he went down he handed the ball to Reed who scampered down the field for a touchdown unmolested, but the ball was brought back as the whistle had blown. Reed drove 5 to the Hillsboro 39. Burkhart ripped the line for 7 as the Bengals blocked out the defensive efforts of the Eagles. Stroube was also hitting line hard and made a first down to the 25. Ganze picked up 5 and Burkhart made 6 to the Hillsboro 14-yard stripe with two minutes left. Stroube failed to gain and then Corsicana drove to the 5-yard line. A five-yard penalty put the ball on the Corsicana 10. A pass was incomplete and the danger passed with Hillsboro getting the ball on her 20 and then running slow ground plays at the time also ran out, the game ending with Hillsboro having posssession of the ball on her own 28.

The Corsicana students and stands showed more pep and enthusiasm than at any previous game of the season, and made plenty of noise on the east side of the field.

The band was provided transportation through the efforts of Capt. Wm. W. Hogewood, U. S. Army recruiting officer, and others.

MEET IN PEARL HARBOR—Fred Kesinger, Jr., radioman, 3c, left, and Wilburn Raby, seaman, 2-c, met recently in Pearl Harbor and enjoyed talking about Corsicana and homefolks. Wilburn, son of Mr. and Mrs. E. C. Raby, 1044 North Beaton street, entered the Navy May 30, 1945, and after completing his boot training in San Diego landed in Pearl Harbor September 26. He immediately began looking for Freddy, son of Mr. and Mrs. Fred Kesinger, 205 Hardy Avenue, and they met on October 6. Freddy has been in the Navy since June 24, 1943, and has been in the Pacific 20 months. Wilburn left Pearl Harbor for Okinawa and Freddy is en route to Northern China.

LOCAL OFFICIALS ATTENDED MEETING AT NACOGDOCHES

Chamber of Commerce manager E. C. Mueller, County Judge L. L. Powell, and Commisioners Drew Gillen and Fred M. Copeland, have returned from Nacogdoches where they attended the eighth annual Texas Government Institute sponsored by the East Texas Chamber of Commerce.

Arranged and directed by Curtis Morris, manager of the tax department of the regional chamber, the institute was conducted on Thursday and Friday. Methods of construction of all roads to the forks of the creek was the principal subject for discussion, the main feature of which was an address on "We Like Our County Unit Road System," by Judge Paul Warren of Marshall.

The Corsicanans attending the institute reported Hart Bowan's discussion on "Common Sense in County Airport Plans" to be one of the most beneficial features of the program. Bowman is airport consultant for the city of Dallas.

Attendance at this year's institute was largest of any of the eight years since the institute was originated, Mueller reported.

Hubbard-Kerens Game Resulted In Tie Friday Night

By DAYTON CARPENTER

KERENS, Oct. 20.—(AP)—Hubbard Jaguars and Kerens Bobcats fought to a 13-13 deadlock here Friday night with the visitors having the best of the first downs and penetrations C. H. Wilemon, superintendent-coach of Kerens and District 18-B interscholastic league chairman, said the game would count as a half game won and lost against the two teams.

The Bobcats took an early lead when they shook Henderson loose on the first play from scrimmage and he carried through the middle of the line 52 yards. The extra point was good when Graves threw to L. Holloway over the goal.

The second touchdown was made after Kerens recovered a fumble by Hubbard on the Jaguars' 14 and Henderson again carried the ball over on a hand off from Graves, working through the center of the line. The attempt for the extra point failed with Kerens leading, 13-0 at the end of the first quarter.

The Jaguars scored after a 79-yard drive carried the ball to the 1-yard line only to be halted. Kerens punted and Hubbard took over and marched 50 yards for a score, which was a pass from McClintock to Holman. McClintock took the ball over for the extra point.

With only a few minutes remaining in the game Hubbard scored the tying touchdown. Anderson scored from the 4-yard line. The point after touchdown was missed, causing the game to end in a deadlock.

The Jaguars got within the Bobcats' 20-yard line twice in addition to the scoring times and ran up 17 first downs to five for the Bobcats. Kerens' punts averaged 36 yards to 20 for Hill county crew.

State Home Beat Dawson 27 To 6 In Conference Game

State Home beat Dawson 27 to 6 in a District 18-B conference football game at Dawson Friday night for their fourth straight conference win.

Neither team scored in the first quarter and both score a touchdown but failed to kick the extra point in the second quarter. State Home scored three touchdowns in the third quarter.

State Home plays Frost at the Home Friday night.

Announce Arrival of Daughter.

Mr. and Mrs. W. P. Moore announce the arrival of a seven and one-half pound daughter, Nancy Alana, in Thursday morning at the Navarro Clinic.

Mrs. Moore was the former Mavell English. The maternal grandparents are Mr. and Mrs. R. T. English, and the paternal grandparents are Mr. and Mrs. Chester Moore, all of this city.

Lt. and Mrs. Robert K. Young and Mrs. C. T. Young of Abbott are in Corsicana to visit C. T. Young and make plans for moving to the city.

Air Medal Has Been Awarded Two Corsicana Men

CALCUTTA—Lt. John M. Remonte, co-pilot, of 801 North Beaton Street, and Lt. John C. Tatum, pilot, of 1573 West Third Avenue, both of Corsicana, have been awarded Air Medal, it has been announced by Brig. Gen. William H. Tunner, commanding general of the India China Division, Air Transport command.

The India China Division is completing, by homeward movements of freight and personnel, its war mission of trans-India, India-China and intra-China Transport. It has made air history by flying cargo and passengers in regularly scheduled day-and-night transit over routes once virtually unusable, primarily the famed Hump. It's war contribution, say aviation leaders, has provided far-reaching portents for the future of air transport on a wold-wide scale. July, 1945, saw 71,000 tons cross the Hump, while at the moment of Jap surrender the rate was nearly two tons a minute.

"From a small monthly tonnage at the outset" said General Tunner in a war's-end statement to his troops, "cargo to China has increased until it has been proved that whole armies could be supplied by air in China—and they were, to the distress and destruction of our enemies."

Lt. Gen. Albert C. Wedemeyer, commander of all U. S. Forces in China, has said, "Through enemy fire and through all sorts of weather, over oceans, mountains, desert and jungles, these planes came, tories won. Upon their cargoes battles have been fought and victories won. Upon their cargies China survived when there was no other contact with the world. Your fliers made the Hump the most famous mountain range in the universe."

Mrs. Margaret F. Barber, Home Service field representative, American Red Cross, St. Louis, Mo., is spending several days in Corsicana, conferring with local Red Cross officials.

SIX SHOW CALVES DIED SUDDENLY AT STATE HOME

Six of the fine show calves belonging to State Home boys have died and three more are sick, it was announced Saturday morning by Moyne L. Kelly, superintendent.

The calves died quickly, Kelly said, and efforts to trace the cause of their death have failed. Specimens were taken to A. and M. College Friday, but no trace of poison was found.

None of the other cattle at the Home, including the dairy herd, have been affected, and Kelly states that he believes the calves, which were kept in a separate pasture, have eaten something which caused their death.

SEES NEW CHEVROLET

W. M. Forester, Chevrolet dealer at Corsicana, Texas, returned from Dallas where he attended a preview of the new 1946 Chevrolet at the company's zone headquarters.

He was reluctant to discuss the mechanical and style features of the new car, but by his eager attitude it was apparent that he expected the formal announcement and public showing of the car to be at an early date.

Mr. Forester said he and other dealers in the area were confident that the 1946 Chevrolet will maintain the record of top volume sales, which Chevrolet reached in 10 of the last 11 prewar years of automobile production, to meet the unprecedented pent-up demand for new cars.

Following the same policy as in former years, the new Chevrolet will be displayed simultaneously in dealers' showrooms throughout the country, Mr. Forester said.

Local newspaper and radio announcements will be made, telling when prospective customers may see the new car for the first time. These announcements are expected to be good news to motorists and to dealers alike.

Throughout the war period car owners have been forced to get along with their old automobiles. At the same time dealers have expended every effort to service these cars, and to keep them rolling for the duration.

Mr. Forester stressed car care, with the warning that motorists should not expect the 1946 Chevrolet to be available in great quantities immediately. The supply to dealers will increase as production in the Chevrolet plants permits.

Why Do We Still Have a Community War Fund?

Sure, the war is over... but your dollars are urgently needed to carry on this work in Victory!

For our own community...

V-J Day hasn't stopped the Community Fund from doing its job! War or no war, the work of local health and welfare agencies *must* go on.

Lots of our servicemen's wives still need prenatal care. Many families rely solely on the help of our visiting nurses. Others depend on our hospital and clinical services. And there's still the problem of keeping our youngsters off the streets . . . and out of trouble.

Part of every dollar you give goes to support these vitally needed local activities.

For our millions still in service...

V-J Day hasn't stopped the work of the U.S.O.! They've got a bigger job to do than ever.

The boys still in service will tell you that the battles with boredom are tough, too.

And the boys are learning just *how* tough they can be. Occupation troops in Germany and the Far East. Troops waiting their chance to get a ship home. Wounded veterans waiting to get well enough to leave hospitals.

That is why U.S.O. Camp Shows have been asked to *increase* their entertainment programs to keep up the boys' morale. U.S.O. Clubs in Hawaii, the Philippines, Alaska, and in the States, must still bring a touch of home to men away from home. A large part of every dollar you give to your Community Fund helps the U.S.O. carry on.

For our friends and allies...

The end of the war hasn't ended the fight against hunger and disease abroad. *Relief must continue.*

The Chinese, the Filipinos, many peoples of Europe who fought on our side, are facing the hardest winter they've ever known. As President Truman has said, "Unless we do what we can to help, we may lose next winter what we won at such a terrible cost last spring. Desperate men are liable to destroy the structure of their society to find in the wreckage some substitute for hope."

Yes, there can be no real and lasting peace as long as starvation, sickness, and fear, stalk the world. Part of every dollar you give buys food, medicines, clothing, for our friends and allies. And by helping them you help yourselves.

* * *

You give only once to your Community War Fund . . . representing all the 19 agencies of the National War Fund. So give generously. In Victory, your dollars are still needed!

Give Generously in Victory... to

Your Community War Fund

Representing the National War Fund

Every town and community in Navarro County is urged to organize now for this County Campaign that starts November 1st, so that your quota might be reached in full.
